**Re: Steenburg Lake South Road Advisory Committee  
Winter Maintenance Proposal**

---

Dear Honourable Reeve Wanda Donaldson and Members of Council;

The Council of the Township of Limerick would like to express their appreciation for the efforts made by Tudor and Cashel Council and staff on developing a solution to the request for winter maintenance by Steenburg Lake South Road residents.

Limerick Council recognizes the complexities of this matter and after careful consideration of your proposal feel that a more feasible alternative would be for winter maintenance for the proposed route to be completed by Tudor and Cashel with spring/summer and fall maintenance to be performed by Limerick Roads Department. As you are probably aware Limerick Township has already incurred significant expense towards gravel and upgrading the road and thus has provided additional service in this regard.

As per your suggestion Council would be open to reconvening the advisory subcommittee to discuss this suggestion. Please feel free to contact the office to discuss scheduling another meeting.

On behalf of Council,

Jennifer Trumble  
Clerk-Treasurer
