Dear Roads Dept./Members of Council:

RE: Steenburg Lake Road South

Further to the above-captioned matter, council members would like to make a proposal pertaining to winter and summer maintenance for this road. Council would like to know whether Limerick Township would be interested in providing winter maintenance for the 400 metres currently receiving winter maintenance from Tudor and Cashel Township. The premise for this is that Limerick Township could then continue winter maintenance for their 1.7 km of road. In turn, Tudor and Cashel Township would cover the spring/summer/fall maintenance for its 400 metres and the 1.7 km currently maintained by Limerick Township.

If you are agreeable to this proposal, I would like to suggest that another meeting be held with the Advisory Sub-Committee to discuss this matter further.

I look forward to receiving your comments.

Sincerely,

BERNICE CROCKER
Clerk-Treasurer
